REMARKS

Claims 9 and 38-44 are pending and under examination in the subject application, as last amended via applicants' April 21, 2005 Amendment. Applicants have not added, canceled or amended any claims herein. Accordingly, upon entry of this Amendment, claims 9 and 38-44 will still be pending and under examination.

Drawing Objection

In the May 10, 2005 Notice of Non-Compliant Amendment, the Examiner objected to the amendment of Figures 5A-B made in the April 25, 2005 Amendment. Specifically, the Examiner states that new Figures 5A-B should be identified as "Replacement Sheet" in the top margin.

In response, applicants annex hereto as **Exhibit A** new Figures 5A-B having the proper "Replacement Sheet" identification.

If a telephone interview would be of assistance in advancing prosecution of the subject application, applicants' undersigned attorneys invite the Examiner to telephone them at the number provided below.
